Price: **€1.00** gross

Manufacturer: Klemm

Referention number: ZP-30x30x3-C

Information:

Black 30x30x3 mm end cap made of polyethylene provides a solid finish for 30x30 mm profiles. Easy to install by pressing in with a rubber mallet. Protects the inside of the profile from dust and damage while enhancing the construction's aesthetics. Ideal for lightweight frames and aluminum structures. The lightweight design makes assembly and transport easier.
