Information:

Planed Spruce Square Timber - Stability and Versatility

This high-quality solid spruce timber molding is planed on all sides. Thanks to a constant moisture level of 10-12%, it maintains its shape, significantly facilitating precise processing such as sanding, painting, or varnishing.

Product features

Material	Spruce
Coating	Untreated wood - for further finishing
Length	100 cm
Mounting method	Wood screws (pre-drilling recommended), metal brackets or nails
