Information:

Spruce Cove Molding - Elegant Corner Finish

High-quality solid spruce finishing strip with a **subtle, concave profile**. Specially designed for the aesthetic masking of joints in internal corners - perfect for wall-to-ceiling transitions, wall panels, and furniture frames.

The smooth, precision-sanded A/B grade surface is ready for immediate painting, varnishing, or staining. The material is characterized by ease of installation and high durability, providing an aesthetic complement to any interior finishing project.
