Information:

Spruce Skirting Board - Decorative Cove Profile

This elegant milled profile molding is made of top-quality solid spruce wood. Available in two sizes — **45x45 mm** and **25x25 mm** — it is perfect for masking wide expansion gaps and wall irregularities. The raw, smooth wood surface is ready for varnishing, oiling, or staining, allowing for full customization of the finish.

A stylish and durable product that, thanks to the interplay of light and shadow on the carvings, will give a distinctive character to any interior.
