Tension fabric lightboxes

Versatility and elegance

Advertising Lightbox LED Advertising Lightbox

Tension fabric lightboxes are an excellent solution for brand promotion at trade fairs, conferences, as well as retail and office spaces. Thanks to the thin aluminum profiles, the focus is drawn to the advertising creative rather than the frame, providing a minimalist look.

Why choose our Lightbox?

- ✓ Versatile application
- ✓ Simple and fast graphic replacement
- ✓ Aesthetics and high print quality

Material	Aluminum profiles
Print	Dye-sublimation or UV
Available profile cross-sections	18 mm, 20 mm, 25 mm, 26 mm, 34 mm, 50 mm, 100 mm
LED lighting types	None Edge-lit Back-lit
Kit contents	Set of aluminum profiles, corners, and connectors
Application	Wall-mounted Suspended Freestanding
Color	 Silver  White  Black  RAL Classic (on request)

Textile and LED walls

Your professional image

Textile Advertising Wall LED Advertising Wall

Additional options and support

Banner design and printing

We also provide full support in the design and printing of textile fabrics. Our advertising structures are specifically designed for the installation of prints made on textile materials.

You can entrust us with comprehensive implementation — from banner design to the delivery of the structure in the appropriate size, including the print.
